**Best Owner-Handled in Show Competition - Wednesday & Friday
March 15 & 17, 2017 - National Owner-Handled Series**

The AKC Owner/Handled Series is a non-titling competition for dogs that are exhibited by their owners who are not professional handlers. This series of special competitions will be offered at dog shows across the country. All dogs that are owner/handled and are not owned or exhibited by professional handlers' meet the requirements for this competition. Exhibitors must declare their dog is Owner/Handler eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book and the catalog. **Dogs must be handled throughout the competition by an eligible owner. Professional handlers may not exhibit the dog in this competition.**

The Owner Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner Handled Best of Breed/Variety and be eligible to compete in both the regular as well as the Owner-Handled Group.
- If the Best of Breed/Variety winner is Owner-Handled competition ineligible and the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible undefeated exhibits of the owner sex to determine Owner-Handled Best of Breed/Variety.
- If the Best of Breed and Best of Opposite Sex to Best of Breed/Variety are both ineligible and Select Dog and Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all dogs of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog & Select Bitch are ineligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as Owner-Handled Best of Breed/Variety.

The breed will not be represented in the Owner-Handled Group if there is no eligible dog competing in the Best of Breed or in Best of Winners Competition.

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog.*

A judge requesting the use of a ramp must give notice to the show superintendent/show secretary prior to judging. AKC approval is not required.

The entire entry in a breed is to be examined in the same manner (ground, table or ramp).

At the discretion of the judge, the following breeds may be judged on the ground or on a ramp through all levels of competition including Group and Best in Show judging: Clumber Spaniel, English Springer Spaniels, Field Spaniels, Welsh Springer Spaniels, Irish Terriers, Kerry Blue Terriers, Soft Coated Wheaten Terriers, Staffordshire Bull Terriers, Keeshonden, Norwegian Buhunds, Polish Lowland Sheepdogs and Norrbottenspets (Misc).

At the discretion of the judge the following breed may be judged on the table or on a ramp through all levels of competition including Group and Best in Show judging: Cardigan Welsh Corgis.

At the discretion of the judge through all levels of competition including Group and Best in Show judging, the following breeds may be judged on the ground, a ramp or on a table: Boykin Spaniels and Whippets.

The following breeds must be judged on a ramp through all levels of conformation competition: Sussex Spaniels, Basset Hounds, Bulldogs, Chinese Shar-Pei and Chow Chows. This extends to all conformation competition at AKC conformation dog shows and any AKC event where a conformation title may be earned. This policy includes Group, BIS, Junior Showmanship, the 4-6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions.

Ramps may be used in emergency situations to judge any ground breed. In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund.

For the judging of juniors the ramp may be used at the discretion of the judge for the ramp optional breeds.
